

Dear Fellow Carolinian:

Greetings!

The Carolinians, Inc. will be holding its 54<sup>th</sup> GRAND ALUMNI HOMECOMING on August 24, 2008 starting with the registration at 3:00 o'clock in the afternoon to be followed by a Mass at 4:30. The homecoming will be held at the Pentagon of the University of San Carlos South Campus (formerly USC Girls High) at J.P. Alcantara Street, Cebu City. This event will have the special participation of the jubilarians, the Most Outstanding USC Alumni and the Hall of Fame Awardees.

All USC Alumni, its different chapters around the country and abroad are cordially invited at a cost of only **Php 400.00** per head which entitles you to a dinner, handsome door prizes/give-aways. You can make this event more enjoyable and meaningful by joining as a chapter, as a group of co-graduates or as employees of the same company.

This memorable gathering would certainly be a fitting occasion to pay homage to our beloved Alma Mater to see how we can assist in USC's development needs which is the very essence of our celebration. Now is the time for every Carolinian to stand and be counted. This would also be an opportunity for us to revisit the old familiar halls and hallowed grounds of our beloved Alma Mater.

An appropriate program with emphasis on fellowship and many other activities is being prepared for the entertainment of the alumni and guests, making this event truly a significant date to recapture the good old days of happy and sad memories.
